Gyllian Raby
Director, Playwright,
Professor

Raby came to Dalhousie two and a half years ago with a wealth of experience in the avant-garde of Canadian professional theatre—as a founding member of Alberta's One Yellow Rabbit and of Northern Lights Theatre. While this practical knowledge was certainly invaluable to her students, she left her mark even more profoundly upon the department—when the cuts of the Theatre and Costume Studies Programmes were proposed, Raby was instrumental in preventing the departments' untimely demise.
