There will be two ten minute intermissions.

There are certain princely facts  
that cannot be listed.

They exist  
only in the space  
between pages.

Who shall remove the gauze  
to let out wounds breath?  
Who shall extract the plague  
that murders what men believe?

It is silent  
when the mayors' helpers  
come to unwrap the bridges.

Search for it on the battlefields.

It will be keeping the carrion  
away from the dead.

You will find it  
at the entrance to Dachau.

A jester with a lantern,  
tearing down walls.

ONE YELLOW RABBIT is a compliment of artists who enjoy a diversity of training, skills and backgrounds. Calgary's only professional theatre collective, this unique working format bestows upon us one dynamic difference: within the collective structure all aspects of production and administration are shared equally. This creates an ideal meeting place for ideas and allows the development and incorporation of our individual styles and talents from show to show.

Since our inception, One Yellow Rabbit has presented four productions including Leonardo's Last Supper, The Crusader, and The Only Jealousy of Emer. Most recently One Yellow Rabbit presented, "Thoughts of a Dry Brain", a performance by Richard Fowler of Denmark's innovative Odin Theatre. Now we celebrate the culmination of our first year of operation with Juggler On A Drum.

One Yellow Rabbit has every intention of continuing to grow as a company, developing new skills, original works and always expanding its artistic horizons.

To date, all our productions have been subsidized by the members of the company, and by the generosity of our friends with regard to the loaning and donation of time, materials and services. If you would like to join in the active support of One Yellow Rabbit, whether financially or by participating in our volunteer organization, if you would like to be kept informed about our upcoming productions, please do not hesitate to contact us at the Friends of One Yellow Rabbit table in the lobby. Either way, feel free to stay after the show to meet and chat with the members of the company.
